

**This week's status:**

**Healthy**

**Progress This Week**

---

- Found sconces, candelabra, and chandelier that will be used in show
- Tested chandelier (functional)
- Tested remote controlled candles (from close distance)

**Priorities for Week of 09-21-2020**

---

- Try to create a rough budget
- Moon Box - hoping to receive photos from lead
- Testing borrowed units when they arrive
- Testing range of remote for remote candles
- Coffin – decide fixture and control method

**Support Needed from Other Departments**

---

- Props - Testing range of remote for remote candles

**Current Issues**

---

- None

**Photos and Other Documentation**

---
